

# ICIBM 2020 Abstract Book

ICIBM 2020 aims to provide an excellent international platform to academicians, researchers, students, practitioners of management and industrial participants around the world, to share their research works/views/experiences with global experts and peers. In addition to this, conference will help the delegates to establish academic, research, and business relations with their peers expected to join from different parts of the world. ICIBM 2020 will certainly lead to noteworthy contribution to the knowledge base in the area of business management.

*Abstracts of*  
**International Conference on  
Innovations in Business Management**  
**ICIBM 2020 (16 – 17 January 2020)**
